THE CORE of Giving 2026

A CORE CONNECT YEAR-END GIVING CAMPAIGN

Connecting Generosity to Opportunity.

A MESSAGE FROM OUR LEADERSHIP

Dear Friends and Community Partners,

At Core Connect, we believe strong families are the foundation of thriving communities—and that access to the right resources and opportunities can change a family's future.

As a growing nonprofit organization, we are building on a vision rooted in helping families in under-resourced communities achieve greater stability, opportunity, and long-term self-sufficiency. While our organization is still young, our commitment is clear: to create meaningful connections that help families move beyond immediate challenges toward lasting success.

Through **The CORE of Giving** campaign, we invite you to join that vision. Your generosity will help us bring basic needs and seasonal support to families, expand educational opportunities through the Noel Khalil Scholarship program, and strengthen the organizational foundation needed to sustain and grow our impact.

We recognize that meaningful change requires more than good intentions. It takes committed partners, thoughtful investments, and a community willing to come together around a shared purpose. Your support is not simply a gift to Core Connect; it is an investment in the families, opportunities, and stronger communities we are working to build.

As we look toward 2027, we invite you to join us in creating a future where every family has the resources and opportunities to thrive.

Thank you for believing in our mission and considering an investment in our work.

In the Spirit of Service,
